

iCare Pressure Care Mattress Overlays

<https://vital.net.au/products/homecare-beds-bedroom-equipment/icare-beds-hospital-beds/icare-pressure-care-mattress>

The range of Icare Pressure care overlays are designed to provide added pressure relief and comfort on an existing mattress.

The overlay features the ActiveX™ material is the main comfort layer in this mattress. ActiveX™ is a high grade of elastic type foam which is responsive to temperature around inflamed areas. ActiveX™ will become softer as it becomes warmer. So around a pressure point it will always soften and allow the blood to circulate freely.

These overlays come in all the mattress sizes up to queen.
