

Zippie Zone

<https://vital.net.au/products/paediatrics/zippie-zone>

Get in the Zone with the lightest Zippie designed for active kids and teens.

The Zippie® Zone™ is an innovative, ultra lightweight and option-rich paediatric rigid wheelchair that is perfect for active kids and teens. Designed for the unique needs of kids, the Zone offers numerous growth options and provides the greatest wheel access for independent mobility.

Product Code: ZONE

Features:

- 7000 series aluminium and Shapeloc Technology create strength while ensuring lowest possible weight
- 3" of built-in frame depth adjustment
- 2" seat sling depth adjustment
- Frame width growth is as simple as 4 tubes (seat, back, camber and footrest)
- Flared seat and inset backrest to accommodate small kids and provide better access to the wheels for propulsion
- Wheel lock in side guard is easier to reach for rider and one lever actuates both wheels
- Hub lock on seat rail – release button positioned out of the way when pushing
- Flip-up angle adjustable footrest for easy transfers in and out of the chair
- Dynamic Rear Centre Caster, provides enhanced manoeuvrability around obstacles while maintaining stability
